

# SONICLEANSE™ PURE

## for superior facial cleansing

Take your daily skincare routine to the next level with SONICLEANSE™ PURE. The extra soft luxury brush head uses high frequency sonic vibrations to gently exfoliate and remove impurities, to leave your skin feeling deeply cleansed.

Using the pulse timer as a guide, treat the T-Zone in just 60 seconds with a choice of two speeds – Sensitive: for dry or delicate skin – and Intense: for targeting problem areas. SONICLEANSE PURE features a handy USB charger and is fully waterproof, making it ideal for cleansing during or after showering.

Treat your skin to an indulgent skincare regime for fresher, smoother and cleaner skin every day.
